The Major Saver Mini Grant Form is to be used to request allotted funds raised during the Major Saver Fundraising Campaign by each school, each year.

These funds must be used for school wide PBIS, ISTEP and/or Literacy programs for the intended school.

The Mini Grant request may be made at anytime and will be considered/approved at the Foundation's regularly monthly meeting.

The Mini Grant needs to be used for the current school year. The Merrillville Education Foundation would like to have feedback of how the Grant has helped the school, after implementation.

All Literature, Marketing Materials, Correspondence, etc., sent to any parents, teachers or administrators with regards to programs made possible through MEF Grants must contain the following language: "This program was made possible by a grant from the Merrillville Education Foundation".
