Tickets can be purchased at each Merrillville School Office or at Give Lively through the following link: <https://secure.givelively.org/event/merrillville-education-foundation-inc/hops-and-vino-festival-2022>.

All proceeds will benefit the grant program provided by the Merrillville Education Foundation which offers resources to the classrooms that are not available through public education funding.

Over the past 20 years, we have funded over 450 grants totaling over \$389,000. These grants have impacted over 123,000 students in the Merrillville schools from kindergarten through high school. The grants were chosen based on their innovative approach and their educational contribution.
